Freshman John Sullivan does one of the readings at an all school Mass.

In the school chapel, Father Jim Shafer celebrates the Eucharist daily. During every lunch hour there is Mass and two communion services.

Worship

Prayer, both private and community is a very important part of our lives at Dwenger. Each day the Mass as well as Communion Services are offered. Once per month we celebrate with the entire school in the gym. We have learned to use that area for many different things, the most valuable being the School Liturgies.

Prayer is present in many other aspects of a student's day. The day begins with a prayer over the PA. This year we had a new voice lead many of those prayers and that voice belonged to Miss Kokosa who helped Fr. Jim in the ministry department. Most athletic events begin with a prayer as well. We tend to take this for granted but all students really appreciate this way of life.

Mr. Gaughan assists Fr. Shafer in the celebration of the Eucharist.

Brian Offerle, Dave Tyndall, and Todd Nagel lead the procession at an all school liturgy.

Eucharist minister Sarah Kilfoil gives the Body of Christ to Freshman Craig Gunckel.

Mr. Brombereck helps Mimi Rommel with her Mass and Sacraments paper.

Joe Sterba and Ben Pursley are seemingly stunned by what they see. They are speechless.

Academics

Having Fun Learning

Academics is stressed here. Starting with the class of '89 we will need 45 credits to graduate while prior to that we only needed 40. Also required is two years of both Math and Science. The class of '90 will also be required to take typing and computers. To make all this possible we have changed from a six period day to a seven period day.

Juniors and Seniors also have the Interim program to look forward to. On Interim day or days people from various professions come in to talk about their jobs, its requirements, what they do exactly, how much a person in that field can expect to make, etc. This helps the students to plan for their careers and understand what they are in for.

It's just one laugh after the other in Mrs. Spohn's Freshman English classes. Karen Augustyn and Sylvia Soto are quite amused.

Another bonus we have here is that the classes are weighted. Harder classes have a weight of 6 to 3 points. This makes an advantage if you take the harder courses. One thing many of the upperclassman miss is the Lunch/Rec period which disappeared with the dawning of the 7 period day. In the past one had 25 minutes for lunch and then 25 minutes of recreation in the gym. No more. Now it's 26 minutes for lunch and back to class. The Freshman feel they missed out on something good. However in the long run it all works out as you can take more classes and have enough time left for interesting electives and not be tied down to just the requirements.

Mrs. Gloman introduces Kim Dull to her friend. Somehow Kim seems surprised by the looks of him or her or it.

Both Adele DiMarco and Mrs. Hinkle seemed pleased by Adele's understanding of the finer points of Geometry.

Academics

Learning From Life

Academics is an important facet of our life here at Dwenger. We take schoolwork seriously even while we are having fun doing other things. Several advanced classes are offered to challenge students preparing for college, such as honors English classes, at least four years of French, Spanish, German, and Latin, Physics, calculus and pre-calc.

Every year several students get an opportunity to go to other countries through the Indiana University High School Program for Foreign Languages. The winners go to their country during the summer and live with a family and go to school. English cannot be spoken at any time. Religion is one part of Dwenger life which most schools do not have.

Glen Ceckowski doesn't even notice Chris Minick's tie is crooked.

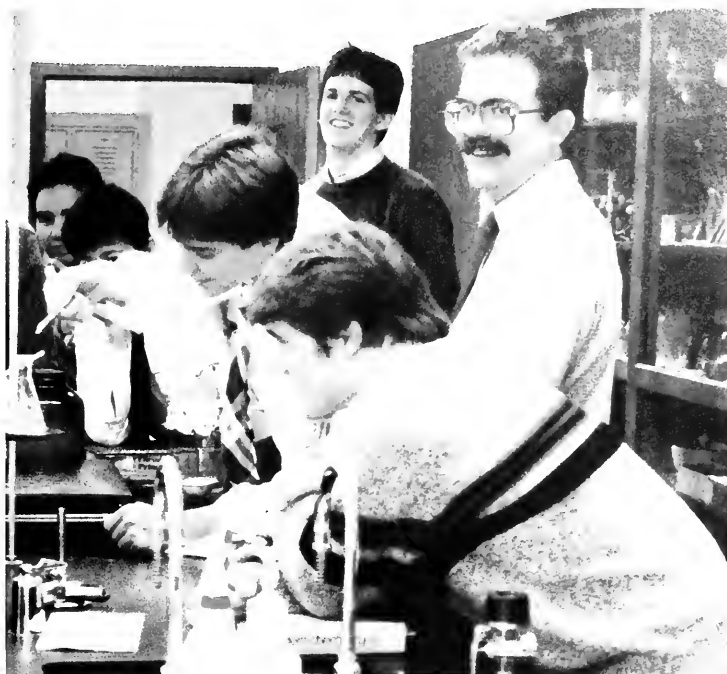

Hungry Dave Ludwick can't finish his test so he can eat on his apple.

Senior Dave Tyndal uses our library to catch up on his work. One wonders how Dave ever sat still for this long.

Our four years of religion are all taught by excellent teachers who care about their students as do all of the teachers here. We feel that religion is important to our lives and we really benefit from it. This year we have five National Merit Semi-Finalists. These outstanding students received high grades on the PSAT and will be competing for about 5,800 scholarships. The NHS is another organization designed to award the members and to aid the community. NHS members tutor students in need of help and encourage them to get better grades. What it all comes down to is that we try our best and as we reach higher plateaus we can look back and remember where we've been while we keep reaching for the stars.

It seems very amusing that Dave Dumas is conducting an experiment. Mike Finley and Mr. Pierson can't even look. Only Pat Delaney has the guts for that.

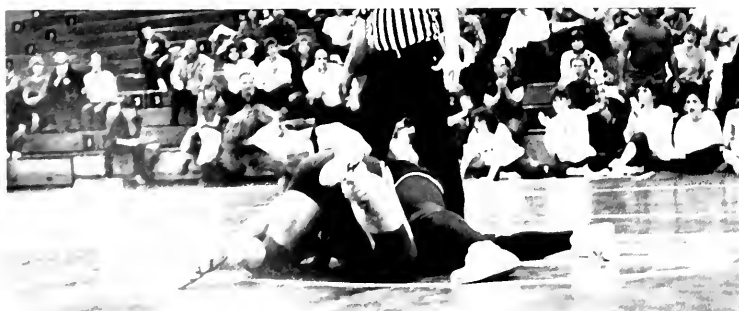

Gretchen Wilhelm is evidently not as far into her French test as the rest of the class.

In order to reach new heights, Mr. Johns had to resort to standing on top of the desk.

Larry Weigand, a senior played both offense and defense this past season.

The Wrestling team had their best finish since the 1977 season.

Sports

Total Team

Experience

When we think of Dwenger Sports, we think of many things. We certainly have a tradition of superiority, excellence, success and spirit. Our teams always have a tremendous fan turnout no matter what the conditions are. We sit in the heat, the snow, the rain to watch our teams. Let's take a look at the year sport by sport and see what the highlights were. Football ... It was into the state playoffs again. We won the Sectional ... a record number on the All Sac team. Volleyball ... the Volleyball bunch are alive ... a winning season. Boy's Tennis ... the SAC championship ... many Saints on the SAC Team. Golf ... excellent seasons for both the boy's and the girl's teams ... Track and Cross Country had a record number of students go out for the teams and had banner years. Basketball ... the girl's had a great year with many of the team members receiving high honors both on and off the court ... the boy's team beating Northrop was a definite highlight as well as a winning season. The best in many a year for the Wrestlers ... 4 going to the State meet and a Regional title ... quite a few records bit the dust as well. Gymnastics began to come into it's own and won many a competition this season. As we move into Spring the baseball team promises to be just as good as ever. The coaches have given a great deal to the athletic program and we would be nowhere without them and their tireless dedication to the program.

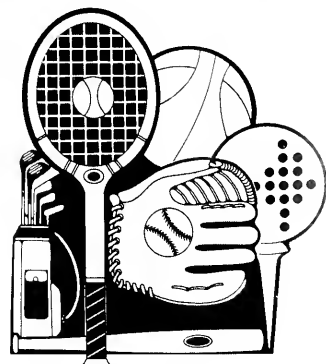

Mike Finley, Senior had a great year with the varsity. He was the high scorer on numerous occasions. He also can balance a ball on the top of his head.

Senior Todd Nagel prepares to win another match. Go for it Todd.

Saints Dominate

Our sports program had the ability to excel due to the talent of our athletes, the coaching they received, and the support of the fans. Many records were broken and new ones set and new heights were reached. Each year we strive for new goals and we expand our plans and abilities to reach these heights. Each person feels that he or she must live up to their potential and fulfill his or her expectations. This takes both mental as well as physical skills.

Twin Day brought us Diane Luley and Chris Sievert getting psyched up for Homecoming.

It was Nerd Day when Jim Kohr and Jim Uecker showed us their "Real Look."

A Spirited Week

Quarterback Tammy Russel tosses a TD for the Senior Team.

Spirit Week is always an interesting week, but the new ideas used in the 1985 Spirit Week made it one of the best yet. One of these new ideas was Nerd Day. We let the Nerd in all of us shine forth, bringing results that were sometimes quite startling. Also we had a Twin Day. It caused Dwenger to be flooded with a barrage of Twins, Triplets, Quadruplets etc. Even the teachers got into the act. The first Annual Walk-A-Thon was held on Tuesday and the weather couldn't have been better. It was a chance to socialize and have a good time. (With a little exercise thrown in.) Hawaiian Day and Color Day were the other theme days. The Powder Puff game was played be-

tween the Juniors and the Seniors. A Tug Of War between the Sophomores and Freshmen preceded it. The Bon Fire burned many memories into the minds of all that were there. The long awaited game was played on Friday night followed by the Homecoming Dance. All of the weeks events took a considerable amount of work. It was worth it though judging by the amount of enjoyment that everyone experienced. There was something for everyone. Spirit Week doesn't stagnate either. Every year new ideas are mixed in with the right amount of traditional ideas and the result is a Spirit Week like none other.

Sarah Kilfoil, Jarmila Kajuch and Ann Roach are caught in the act. It's the act of doing what that is the puzzle.

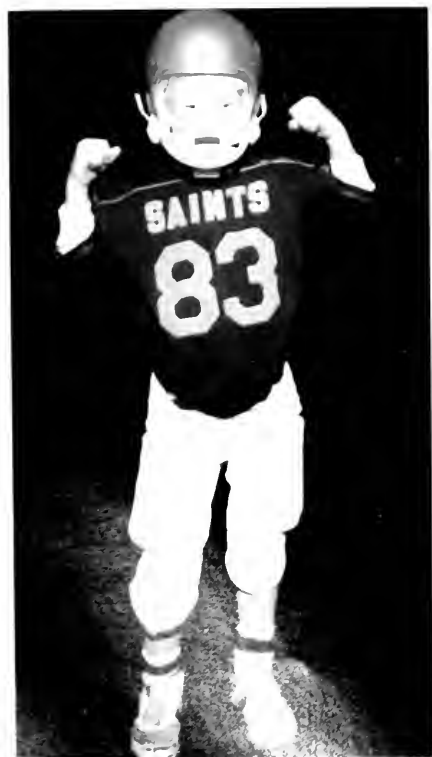

Ann Allgeier and Deborah Hannan plan to star in an Hawaiian Punch commercial.

The Tug Of War Champs ... The Freshman. This seems to be a Tradition ... The Freshman win the Tug Of War every year.

One of the Junior members of the court, Lisa Kern. Lisa is escorted by her parents.

Eight-year-old Kevin Kern, who was always a football fan.

Cary Stuer, boy's vice president of the Student Council congratulates Michelle Drerup upon being chosen as the Homecoming Queen. Michele was escorted by her father, Mr. Bernard Drerup.

Coming Home In '85

Our fireworks display at half time was really fantastic.

Home-coming n 1: a return home 2: the return of a group of people esp. on a special occasion to a place formerly frequented.

That's how the Merriam-Webster Dictionary defines "homecoming". To us who have experienced Homecoming 1985, though, it takes on a different meaning. It was much more involved than simply a "return home". The actual Homecoming night was preceded by an appropriately named period of time known as Spirit Week. School spirit and hopes soared during Friday's pep session. Everyone felt ready for a victory.

The sky that night was cloudy with some clouds nearly resting on the ground. The Homecoming theme, "In the Air Tonight", was coming true in an unexpected way.

But there was more in the air that night than clouds. Cheering and fan support battled with the clouds for air space. At half-time the Homecoming Court was introduced. Michelle Drerup was announced as the Homecoming Queen. She and all the members of her court looked marvelous. As the game continued victory floated farther and farther from the Knight's grasp. Dwenger took the victory, winning with a score of 13-0. After the game many Saints went to the Homecoming Dance. The evening was enjoyed by all.

All in all, much was in the air that night. Many people worked hard to make the week enjoyable. But most of all we had fun, which is what it was all about.

PEOPLE OF DWENGER

Our Faces Are Many

New heights were reached by the people of Bishop Dwenger High School during the 1985-1986 school year. Through academic achievement, through athletic prowess, through spiritual development, the community of Bishop Dwenger excelled. The people of Bishop Dwenger give the special moments and traditions that make Bishop Dwenger so special. The students bring the school to life. Their enthusiasm and concern shows in the classroom. They do their best in religion, math, science, and all other academic courses. The students do not lose this spirit after the final bell. They take it with them to games, clubs, and the many other extra-curricular activities Dwenger offers.

The faculty and parents are just as important to Bishop Dwenger as the students. The teachers work with us patiently to help us grow in knowledge and maturity. The administration keeps the school going and helps to improve the quality of education at Dwenger. The parents support Dwenger with their continuing interest and hard work in such things as the Family Association and Saints Alive.

All of these people make up the Dwenger family. Like any family, it will continue to grow and change, but it will always be centered around the idea of giving a quality Catholic education. It is a family we can all be proud to belong to.

Everyone else seems to be busy except Adrian Heglas, who just gives us that weird grin.

Adele DiMarco leads the community in the Prayer of the Faithful with the petitions.

Amy Helmer does a reading at one of the all school liturgies held about once a month.

Senior Superlatives

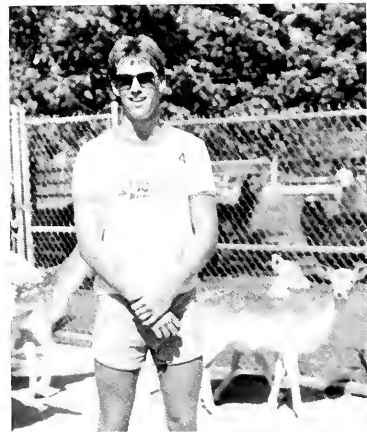

Every May the Senior Class gets together to select the best and the most in many categories. The categories change some from year to year with different selections added and subtracted by the senior yearbook staff. We have stuck with the policy of only being a winner in one category. The entire class votes and the ballots are counted by the senior yearbook staff. We selected the Fort Wayne, Childrens Zoo as the location for the pictures this year. Everyone seemed to enjoy the session on a warm Monday afternoon. Here we present the Senior Superlatives for the Class of 1986.

Most Dramatic: Melissa Boomer and Sean Maroney

Teachers Pet: Sally O'Dowd and Larry Weigand.

Most Changed: Dan Degnan and Joann Didier

Most Athletic: Dan O'Brien and Michelle Drerup

Prom '86

Each year during an assembly for the Senior class, the students receive a list of the Senior girls from which they choose seven ladies for the annual Prom Court. After the seven are announced, a final election is held to determine who will be crowned on Prom night. The name of this lucky girl is announced on Prom night. This year's court included Michelle Drerup, Tonya Hilker, Tracy Vorndran, Sarah Kilfoil, Danielle Taylor, and Laurie Killion. The queen of the 1986 Prom Court was Concha Diaz.

The Senior

On May 9, 1986, the 1986 Senior Prom was held at the Ballroom of the Holiday Inn Northwest. We had a record number of couples with 129. "Endgame" provided the music and most danced the night away. Exchange student, Concha Diaz, was chosen as the Prom Queen. It will be quite a memory for her to take back to Madrid, Spain. It was a wonderful evening.

Senior Class President, Terry Anderson places the crown on the Prom Queen, Concha Diaz.

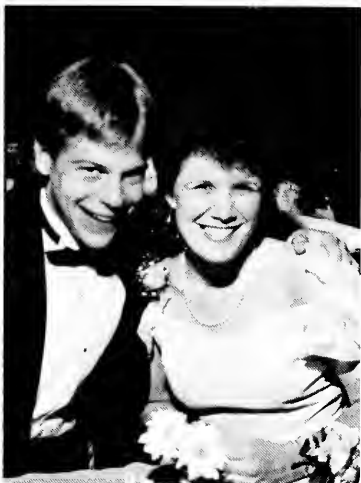

Liz Lovett and her date seem to enjoy just looking at each other.

Karen Kerns and John Mozzone had a wonderful evening.

Prom 1986

The Senior Officers; Terry Anderson, Matt Smith, Gina Krach and Kim Martin did most of the planning of the Prom. They choose the location and the decorations. The court was selected by the entire class. Chris Sievert and Amy Taggart provided the beautiful backdrop and they co-ordinated the bulletin board of couples.

Steve Koenig and his date, Katie Delaney smile for the photographer.

Bridget Herald and her date looked fantastic in their fancy clothes.

Baccalaureate

On Friday May 30, 1986 the 20th annual Baccalaureate and Banquet were held. It marked a milestone for Bishop Dwenger High School. Bishop John D'Arcy celebrated the Mass at the Cathedral and gave a moving homily to the seniors. Awards were presented to the scholars at a lavish banquet held at the Scottish Rite in downtown Fort Wayne, IN. Mr. Scudder acted as master of ceremonies and Mrs. Cornell read the awards as Msgr. Lester presented them to the students.

Gina Krach does the reading at Mass.

Steve Koenig received the Air Force ROTC scholarship from Major Brad Cronk.

Buffy Heinz and Sarah Kilfoil and families enjoy the dinner.

Valedictorian Tony Sanders and Msgr. Lester.

Graduation

It was a hot June afternoon when the Class of 1986 made its final appearance at Bishop Dwenger High School. The gym felt like an oven but it was still filled with excitement. Beginning a new tradition the Valedictorian and Salutatorian speeches were given at the commencement. It was a very nice idea. Steve Keonig and Tony Sanders both gave moving talks which were well received. Mr. Gaughan then presented the graduates with their diplomas. It was a hot but great day.

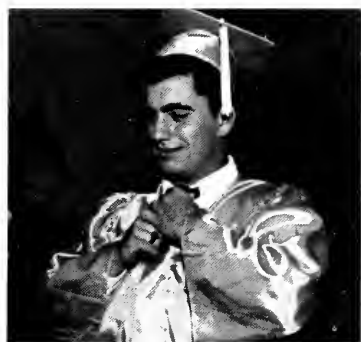

Lisa Dahm leaves the stage with diploma in hand.

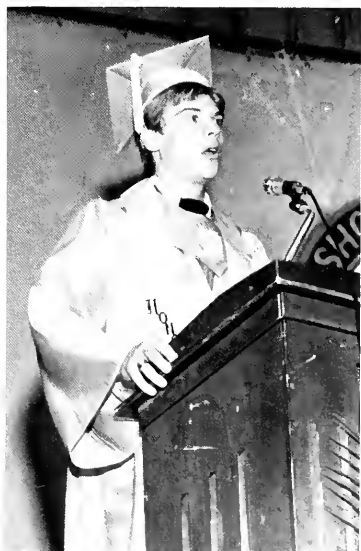

Hildie Dorenkamp receives her diploma from Mr. Gaughan.

Dave Rosswurm and his parents Mr. and Mrs. Jerry Rosswurm.

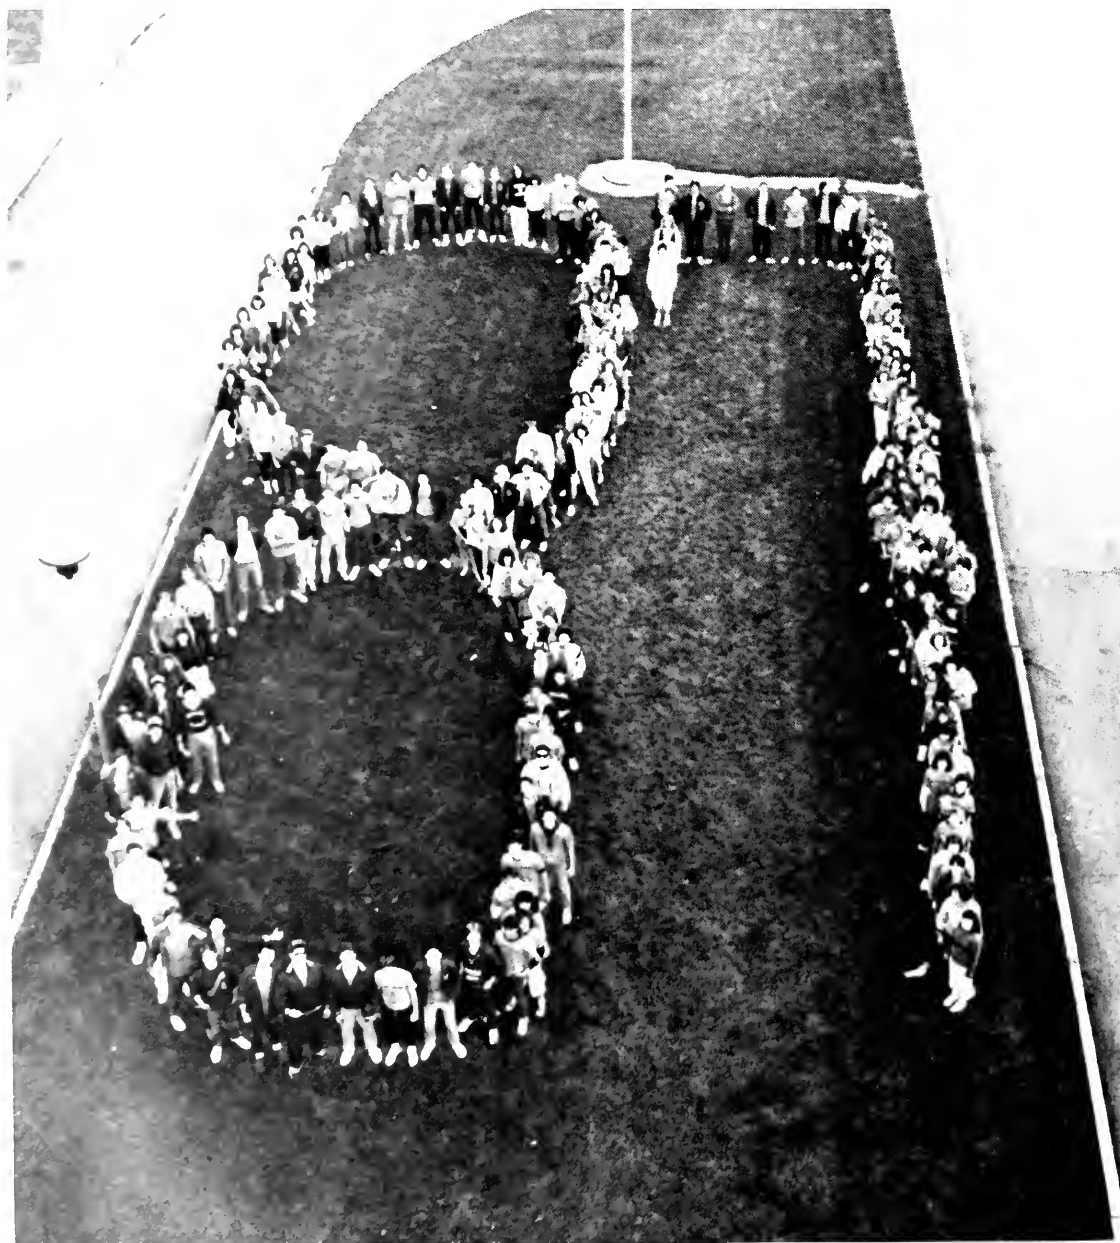

Sam Talarico adjusts his tie before the ceremony.

Steve Keonig, Salutatorian speaks to the class.

Junior Day

Follow Your Dreams . . .

On April 25 the student body, Junior parents, and faculty gathered for Junior Day. A Mass was celebrated in honor of the Class of 1987. After the Mass, class rings were passed out to those Juniors who ordered them. Then the class went to the Heritage House for a brunch. It was fun socializing and eating all you could (though barbeque chicken is difficult to consume when dressed in good clothes). When the brunch was over, the Juniors were free to do as they pleased. Most of them returned later that evening for the dance.

Junior Day included things much deeper than the superficial. It honored the Junior class in general. But it celebrated something more specif-

ic than that. It celebrated the future of the Juniors. This was the underlying goal of Junior Day. The future is bright for all of us. At this point in our lives all we have to guide us in the future are our dreams and past experiences. If we work at it and keep our goals in sight, the future will be all we want it to be. Junior Day cherished the hope that the Juniors' dreams of the future will be realized.

"Don't ever give up your dreams . . . And never leave them behind. Find them: make them yours, And all through your life, Cherish them And never let them go."

— Elisha Castanza

Here we see our principal again, as he looks over the Junior class in admiration.

The Juniors have taken their seats as the students stand waiting, looking forward to the Junior Day Mass.

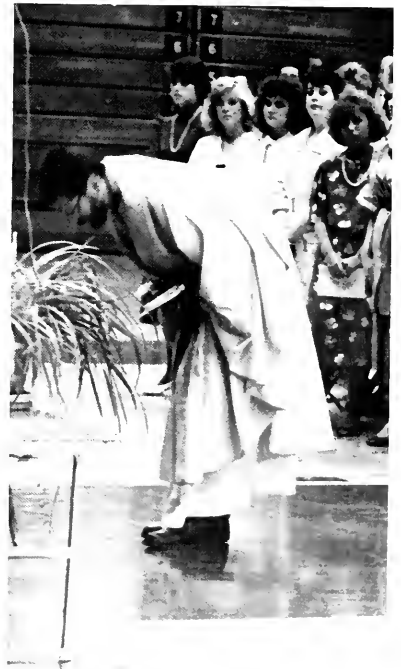

The Class of 1987 after the celebration of the Eucharist and Ring Ceremony await Mr. Tierney who will sing for them.

Many Junior parents attend this Mass and their children appreciate it very much.

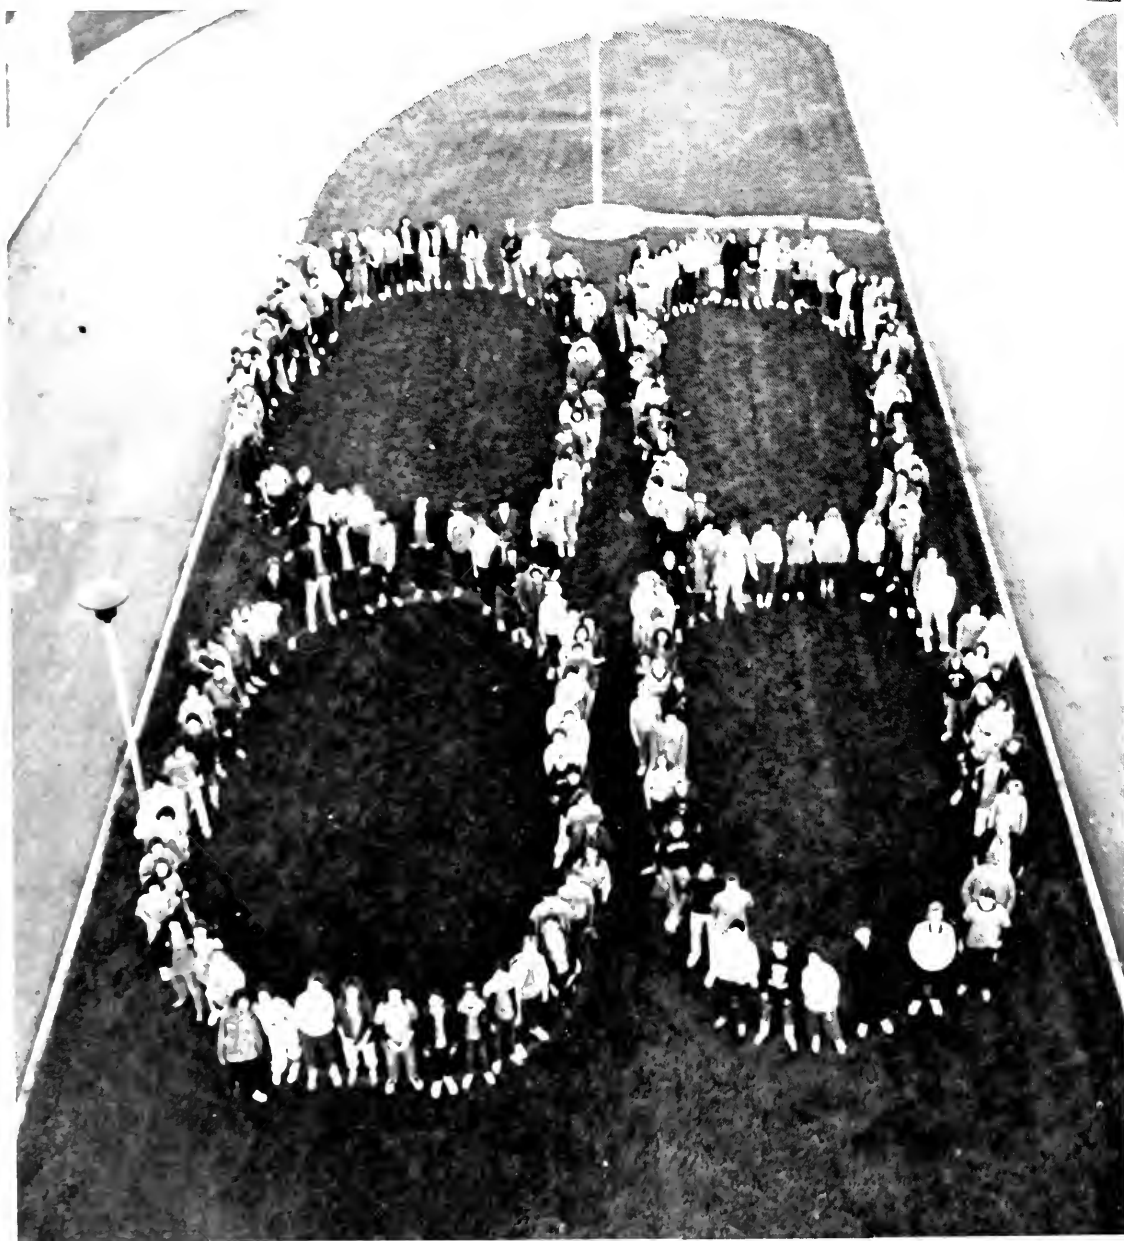

Father Shafer prepares to bless the class rings.

Initiation at the Football games ... all the cute junior and senior guys ... the first day of school ... being scared ... how much fun high school is ... P.E. with Gash ... big sisters; big brothers ... hiding from the Sophomores ... Mr. D. opening a stacked locker ... not knowing anyone ... the bus was late every day in the winter ... winning against the sophomores in the tug-of-war ... the Freshman/8th grade dance ... a frog in Mrs. H.'s class ... Football ... Spring Break ... the bishop and the free day ... soccer games and the crowds ... being embarrassed to be so young ... Ara ... Square dancing ... becoming one class ... MORP ... looking forward to being Sophomores ... realizing how much we love Dwenger and being a part of it all.

ACTIVITIES

We Do It All . . .

There is always something to do at Dwenger. Sports, Clubs, Cheerleading, Saints Alive, and so on provide enjoyment for the student. Although they would never admit it most students like to stay after school if there is something worthwhile to do. Most of the faculty have fun with these activities also. Clubs are the main source of excitement. The main service clubs are the Z Club and Key Club. Both of these do much for the school as well as the community. They set up chairs, raise money for various causes, park cars and help almost anyone who needs it. The Language clubs do cultural things and also meet with other schools. Our Art club produces many winners in the regional art fairs. Athletic clubs such as soccer and hockey always do well in any competition they enter. Plays bring students of all grades together to

perform a production and have lots of fun doing it. Stage Crew members have as much as the actors. This year they performed "Exit the Body" "The House at Pooh Corner" and "Two by Two". Seniors and Juniors can volunteer to work at Saints Alive, our annual fund raiser. At this auction students see all the buying and selling of the luxurious objects. We also have fun clubs like Ski Club and Yacht Club. The Yacht Club took trips to Washington D.C., Chicago and Cedar Point. The Student Council gives the students a feeling of power and democracy. Our elected officers arrange dances, dressup days, Homecoming and many other activities. Journalism clubs work very hard on the Newspaper and Yearbook. There are many other activities to get involved in. We really do it all.

We saw many sister combinations on the Pom Pon Squad this season. Pictured here are Lisa Lowery and her younger sister Dede.

At one of the Pep Sessions, Mr. Scudder introduces the Girl's Basketball team. The Cheerleaders do a great job in planning the Pep Sessions.

The cast of the Fall Play, "Exit the Body." The play was very funny and the cast did an excellent job.

Mr. Girgash and Sr. Mary Jane hoof along during the Walk-A-Thon. Are they ahead or behind?

Mrs. Steele, Mrs. Yaggy and Mrs. Dumas have a fun time every Christmas dressing up weird. Cute Dog.

Twins Lee Durant and Christine App.

Z-Club

Z-Club, our Bishop Dwenger women's service organization provided lots of volunteer service to both the school and the community this year. Sophomore, Junior and Senior women helped with various activities including Back to School Night, Registration, and many of the various recognition nights. The club baked goods for the poor and supported a family during the Christmas season. The Z Club held a dinner for it's honorary sponsors. Their service was much appreciated. The Z Club is sponsored by the Zonta International which is a large civic women's club with chapters around the world. They offer a scholarship each year to Bishop Dwenger also.

This bevy of beauties prepares to serve a dinner.

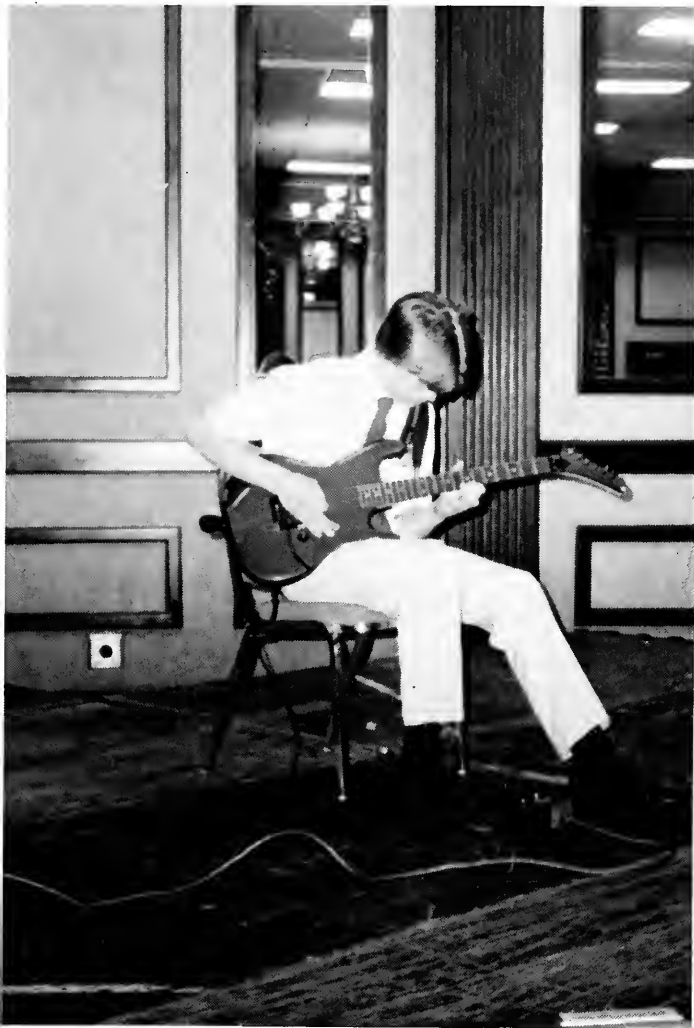

The Z Club served the International Zonta dinner.

Officers and Moderator: Miss Nancy Halter; Beth Bernard; Beth Szkudlarek; Jean Gloude-mans.

Key Club

Organization is the key to success. This is the motto of our Key Club. The leadership was excellent and the experience showed in all the club did. The Key Club is a volunteer organization sponsored by the Downtown Kiwanas Club of Fort Wayne. This volunteer work is done throughout the community. The year was capped off with the best showing of any Dwenger Key Club at the annual convention. Dwenger was ranked 3rd best in the state. They also won a Silver and Gold in special projects.

President Elect Greg Mockenhaupt plays the guitar at the Convention.

Mr. Ryan took this bunch to a State wide convention.

Officers and Moderator: Mr. Don Ryan; Dave Devine; Tim Newell; Dave Tyndall; Brian Offerle; Larry Weigand.

They even allowed them to eat in public at the convention.

The French Club

Le Club Francais

Foreign Languages are very popular and therefore so are the clubs to go along with them. The French Club has various activities throughout the school year. In addition to the usual dance, they sponsor a French Breakfast in the fall. It is held at 6:30 am so we know that they are really dedicated to the organization. Many showed up this year and it was a gala event.

Fr. Koons said a French Mass for the French Students in January. Sarah Kilfoil and Beth Szkudlarek, who both spent last summer in France did the readings. Both girls were in Normandy on a study program through IU. The Language Clubs also have many joint activities such as a big dance in the winter.

The annual French Club Breakfast or Petit Dejeuner is enjoyed by these French Students. Traditional French food is served.

Hilde Doerenkamp, our German exchange student is taking French and here is pictured at the French Breakfast.

Mrs. Kathy Klemme, moderator of the French Club.

Top: Sarah Kilfoil reads at a French Mass. Officers: Sarah Kilfoil; Beth Bernard; Beth Szkudlarek; Gina Krach.

Student Council

Dwenger Leadership

As an important part of Bishop Dwenger, the Student Council works hard with the Homeroom Reps and Class officers to plan the events of the entire student body. The major events planned exclusively by the Student council of course include Homecoming. It was the best ever with a record number attending the dance. The Christmas Formal also enjoyed record numbers with 187 couples dancing the night away.

On a more serious note the Council was also active in the community sponsoring such things as the Montessori Party for the inner city children. The canned food drive at Thanksgiving and christmas brought in enough food to fill a Semi truck. Mr. Doepker did his usual job as the moderator of the club and his helpfulness was greatly appreciated. The spirit of the school is in part due to the efforts of the Student Council.

Rick Kosiarek and Terry Anderson entertain one of the guests at the Montessori Party.

Assembly

We saw an upswing in assemblies this year. In addition to the usual pep sessions, we were entertained by the Air Force band again. It had been several years since they made a stop at Dwenger and it was a rousing concert. People leapt from the bleachers and danced to the beat. The student council planned a faculty vrs. Intramural team basketball game. Some of those teachers were sweating like work animals by the time the students won by a respectable margin. We recognized the top ten from each class at another quick assembly. All in all we like these get togethers.

Pom Pons and Cheerleaders lead us on the school song to begin any assembly.

The lead singer of the Air Force Band performs to the delight of the student body and faculty. It was a wild time.

Coach Johns, the one with the big legs, breaks Dan Kinder's defense as the faculty plays the Intramural All Stars.

Coach Johnson seems to lead the confusion as to the whereabouts of the ball.

Sauntering down the side courts, Duane Gatwood admires his team.

The cheerleaders for some reason like to feed the troops at as many pep-sessions as possible.

Notice the intense rivalry between the faculty and students.

Dave Zurbuch as he appears after midnight.

Organizations

Roman Holidays; Ski Trips; German dinners; Spanish Taco Festivals; These are just a few of the activities available to the average Dwenger student after school. Soccer and Hockey were played as a club sport for the last time this year as each will become a IHSAA sport in the 1986-87 school year. Due to bad weather the ski club was only able to take one trip this season.

SADD

Our SADD Chapter here at Dwenger is mostly concerned with keeping younger children from starting to drink alcohol and especially from driving under the influence. Students Against Driving Drunk put on presentations for most of the local Catholic grade schools. Plays, puppet shows, and other ways of showing that drunk driving is disastrous were tried. They considered saving young lives from being ruined more important than staying in school. We hope that their goal is reached and good luck!

The SADD Officers: Buffy Heinz, Gregg Mockenhaupt, Jim Koher, Mrs. Malloy.

Liturgies

As shown on many previous pages, the Mass and prayer are a very important part of our lives here at Bishop Dwenger. Seniors are given to the opportunity to become Special Ministers of the Eucharist. The school pastor, Fr. Jim Shafer heads the selection process. These people assist at the daily Mass in the chapel over the noon hour or they conduct a Communion Service; also held over the noon hour. It is quite an honor to be a Eucharistic Minister. Each month at the all school Mass they also assist. Pictured here is the Mass for Ascension Thursday. Bishop D'Arcy made his first appearance to the whole Dwenger Community on this occasion and he was presented with a letter jacket after Mass. He then gave the students a free day which was wonderful.

Yacht Club

It seemed like a good idea at the time. Form a club to take small trips to see cultural and educational as well as fun things. The first trip to Chicago, on the coldest day known to mankind, drew only 305 students. We packed into 7 buses and headed out after a short delay due to frozen buses. Some saw the play "CATS" others went to museums and others just went to shop and look at the girls or guys as the case may be. It was a success. The second trip to Washington, on the wettest day known to mankind, drew 25 brave souls who flew to the nations capital for the day. We are going to press before a group of 222 leave for Cedar Point so we don't know the weather but you can make your own guess.

Recognition

At Dwenger we have many honors for students getting good grades. The NHS is one of them. Juniors and Seniors found it harder to qualify this year. One must be invited to join based on a 10.000 GPA and you must be active in several organizations. The members were inducted at an all school assembly held in the early part of May. Being a Dwenger Scholar is another honor a student has to

strive for. 5 A's are the criteria for this honor. On Monday 12, these students were honored at a ceremony in the evening and parents were invited to be present. At the same ceremony scholarships were presented to several of the scholars. The faculty sponsors 3 of these scholarships as does the members of CATCH.

Saints Alive '86

New York, New York

Every March the night comes alive for the annual Saints Alive Dinner and Auction. It is the biggest fund raiser in Fort Wayne, New York ... New York was the theme for the March 15th extravaganza held in the converted gym. Parents and students worked for one full year to make it the gala event it was. Anyone who was anyone was there.

Tickets were at a premium again this year as in the past. Dinner was served at 7:00 followed by the auction which lasted until after 12:00 midnight. Breakfast was served before the guests went home. The students can never express how thankful that the parents put on this wonderful evening so Dwenger can have the best in education and equipment.

Band

Adding great spirit and enthusiasm to sports events and pep sessions, the band's performances play a big part in the life of Bishop Dwenger. In addition, the band competes in contests and gives concerts throughout the school year. The talent of many band members was heightened when they won awards in the ISSMA contest. The band will continue to provide great entertainment for years to come.

Pom Pons: Spirit Squad

All American was the rating the girls achieved at the Summer camp they attended. "It seemed like we practiced for 24 hours a day, but it paid off," said Jenny McMillen one of the Senior Co-captains. Each night after school the Pom Pons could be heard in the back hall learning another routine.

Mrs. Dehr gave up the sponsorship of the Pom Pon Squad because of the expected birth of her first child. She was replaced by a new face at Dwenger Ms. Kokosa. Although the squad misses Mrs. Behr, Ms. Kokosa was made to feel quite welcome by the girls.

Chorus

Although the Choir was small in numbers, it did not lack in unity. Chorus requires alot of hard work and dedication. Practice is not limited to just the 4th or the 5th period but many hours are put in after school to say nothing of the evening concerts. With the addition of Miss Hope the Chorus took on a new sound. We had several successful concerts and public performances in the city. In the future it looks like we will just get better and better.

Cheering Us On To Win

Cheerleading demands much more time than others realize. It takes a lot of practice and dedication. Cheerleaders make the school year a lot of fun for everyone. They add excitement to pep sessions and get us rowdy for the games. They plan out each pep session very carefully. They have four different cheerleading squads. First, there is the Boys

Varsity. Then we have a squad for all the girls games. There is also a Boys Reserve squad and last but not least there are the Freshmen cheerleaders. All of these girls have to train all summer at cheerleading camps. They have a good time and still work hard. Without our cheerleaders, our school year and school spirit wouldn't be what it is now.

Yearbook

Week after week throughout the school year a crowd gathers in Room 110 on Tuesdays, Wednesdays and Thursdays to work on this publication. The Aureate this year had 32 more pages than a year ago. Each edition gets better and better. The staff works to bring an excellent review of the year to the student body. Mrs. Cornell, our moderator is sometimes a tyrant and occasionally the veins stick out on the side of neck but we get it done. Beth Szkudlarek did a great job this year as editor. She and Mrs. Cornell attended the NSPA convention held in Cleveland in November. A lot of new ideas came from there. Hats off to the Yearbook Staff.

Golden Trumpet

Our Bishop Dwenger newspaper, the Golden Trumpet, was again a success under the direction of Mrs. Kennell-Lauer. The staff reported the news, sports, and events of the whole year, including an editorial page. Editor-in-chief this year was Liz Lovett. Other editors were Marci Goheen, news; Andrea McMasters, Feature; Barb Gaboriault, sports; and Leah Mackenhaupt, Business Manager. The photographers were John Otto, Jenny Abella, and Mike Scudder. The Staff cartoonist was Michelle Mills. Bishop Dwenger students and alumni subscribers received the Golden Trumpet once a month during the 1985-1986 School Year.

Walk-A-Thon

This year, for the first time, Bishop Dwenger set out for a "Walk-A-Thon". During Spirit Week on October 17th, bright and early, the Dwenger community showed up for a walk to insure financial aid for students. Before the nine mile walk, each of the classes lined up outside into the form of their year of graduation. Assisted by the Fire Department, the picture taking went off without a hitch. The students then set off with high spirits, and perhaps a few complaints. Accompanied by their friends the first mile went pleasant enough. After that, those that were out of shape (the majority) began to feel cramps, leg pains, etc. It definitely took the joy and cheer out of the expedition. Finally reaching the half-way mark, the walkers received complimentary drinks. The return to school passed much more

quickly. Perhaps because the pain had numbed. But whatever the reason, 980 diligent students completed the walk ... alive! After the walk, the students were treated to a lunch

and then given the rest of the day off. All in all, \$23,000 was pledged. This will prove a great help for those students seeking financial aid next year. Good job Bishop Dwenger!

As these seniors approach the half-way point, they think it's a race to the wire.

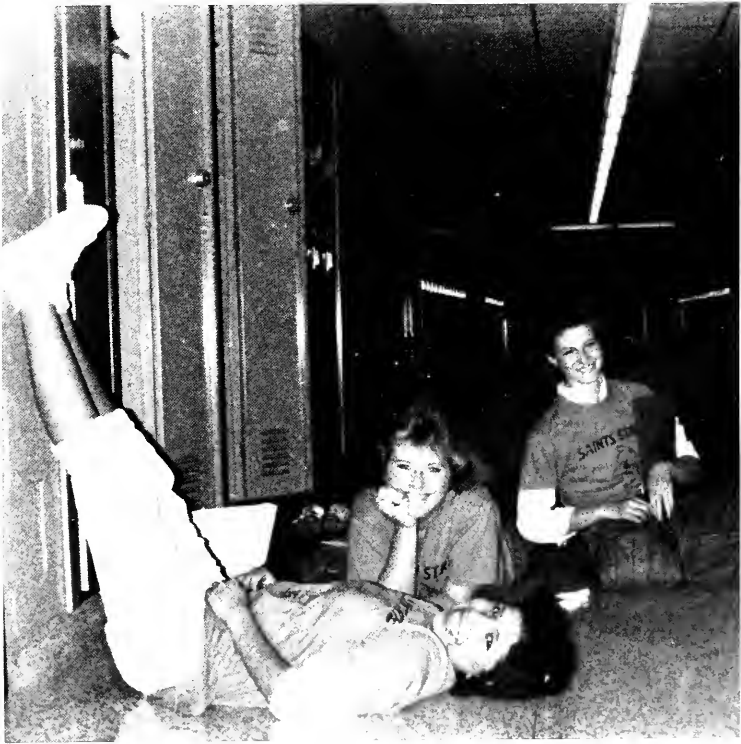

After the walk, we were treated to hot dogs. Pat Delaney, Chuck Kapocius and Matt Reader chow down.

Even the old folks walked. Mrs. Malloy and Mrs. Jordan made it all the way back. Good job.

Sarah Kilfoil and Lisa Pokrywinski enjoy an orange juice break with Mr. Koester. Mr. Koester didn't walk but looked great sitting on this car.

Sue Vasquez didn't know which way was up after her walk.

ACADEMICS

Name Of The Game

7:55 am begins the average day at Bishop Dwenger. You have to be on time for class as well. Tardies result in a Saturday School. Seven class periods make up the day and most students take at least one class per department. Religion is required all eight semesters as is English in most cases. A good four year math and science program and most Saints take full advantage of it. Of course the big news is computers and we have them here. Computer Math as well as Business Computers are very favored classes. We introduced the Study Hall this year which has been very beneficial to the more serious student. Most have 6 classes and 1 study hall. National Merit Scholars are on the up-swing as we have more each year. 87% of Dwenger students go on to school after graduation. The Administration and Fac-

ulty are the best. Everyone is always willing to help whether it be in a class subject or any problem. Our Guidance department has the open door policy and one can go there at any point through the day. This is another area where the study halls have come in handy as they allow a student more time to see people without missing put on class time. The Library is also an area where there is easy access. Each year more and more resource material is available to the enrollment. The Kitchen prepares meals for the people who wish to purchase their lunch. One can also brown bag it. Keeping the school clean is done by the Maintenance staff and everyone tries to pitch in and help in the effort. All in all we can safely say that we are strong in every area.

During the Interim program many professionals from the community come to Dwenger to give presentations on their jobs.

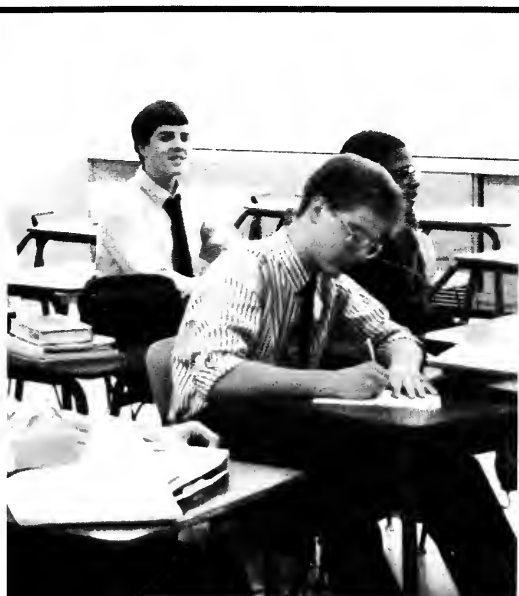

Social Studies teacher, Mr. Scudder prepares to show a film to his interested students. For some strange reason there seems to be no girls in this class.

Jenny Currin takes time out from her busy day to make an important phone call.

How do we know that this is a Freshman class? It's really very easy. Notice on the back wall ... the alphabet ... how many other classes would need to have that on the wall for quick reference?

Working away is Joe Romie. The two gentlemen behind him are just watching.

Lisa Kern and Nick Frato listen intently to the lecture. Jodi Farrell smiles like a doll.

Administration

Leadership is defined by Merriam-Webster as "to guide the way; to direct the operations; to go to the head of; to tend towards a definite result." These all apply to our administration. Without their leadership and dedication we would not have the strong school that we have today. Mr. Gaughan is our principal and is the backbone of the front office. He is very much involved at all levels of the school. We have two assistant Principals; one who is also the Dean of Students, Mr. Woods. Mr. Woods is one of the busiest of people trying to keep everyone where they are supposed to be. Mr. Doepker is in charge of academics and works more with the teachers. At Dwenger, we have a School Pastor, Fr. Jim Shafer, who takes care of our spiritual needs. We always begin with a prayer and sometimes with a rotten joke. Fr. Jim is a master of both. A big part of any high school is athletics and one of

the hardest jobs is that of Athletic Director and our Mr. Krouse does a great job. Without him school would be boring. In addition to his teaching duties, Mr. Tone does all admissions work. It is a very difficult job that requires much work with the grade schools. Of course all this takes money and that is the job of Mr. Veerkamp, the Business Manager. Yes leadership is present at Bishop Dwenger in both the students and Adults.

Mr. John Gaughan, Principal, Mr. Gaughan is in his seventh year as the leader of the Dwenger community.

Fr. Jim Shafer, School Pastor.

Relaxing over a cup of coffee is the Athletic director, Mr. Richard Krouse.

Admissions Director, Mr. Fred Tone. Look at that nice briefcase.

Mr. Steven Doepker, Assistant Principal. Mr. Doepker takes care of all the academic problems of the school.

Mr. Joseph Woods, Assistant Principal/Dean. Taking care of the discipline is a full time job for Mr. Woods.

Counting money as usual is Mr. Veerkamp, the Business Manager. From the look on his face we think Mr. Veerkamp likes his job.

Guidance

High Education Day ... PSAT ... SAST ... ACT ... Scheduling ... Writing college recommendations ... Getting scholarships for seniors ... Preparing activity sheets for the whole student body ... Making sure everyone sees the college rep of their choice ... and sometime during the year seeing every one of the 900 + students in the school. These are just some of the jobs done by our Guidance Department. Mrs. Hall, our Guidance Director personally sees every senior as to his or her plans for the future. This year we welcomed Mr. John Paul to the department. As well as helping with the scheduling, Mr. Paul was in charge of our RVS students. Mrs. Mary Keller came in one day a week to assist in many areas. The whole world is now computerized and this includes our Guidance Department. Mr. Meyer did all of the computer work made sure we all had the right schedules.

On Higher Ed Day, Mr. Tone, Admissions Director talks with Brad Cronk of the U.S. Air Force and Rhonda Brouwer. On Higher Ed Day colleges and the Military set up displays in the gym for the Juniors and Seniors.

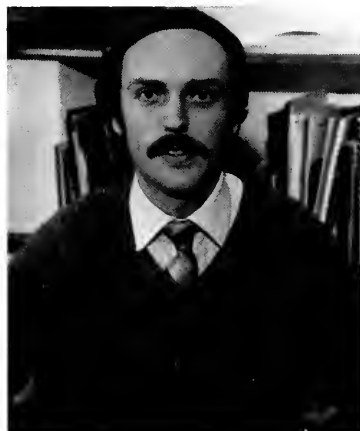

Mr. Bob Meyer, the computer wizard sits at his console, Mr. Meyer puts all the schedule info into the computer.

Guidance Counsellor, Mary Keller who assists the department on Tuesdays.

Guidance Director, Mrs. Barbara Hall, Mrs. Hall is in the express lane of Guidance.

Mr. John Paul, the newest member of the staff.

Secretary, Mrs. Ginny Steger who keeps things in order in the office.

Office

These are the people one comes in contact first when visiting Dwenger. It would be very hard for us to imagine the school without the ladies in the Front Office. Not only do they take care of attendance, they do all the little jobs that no one else wants to do. The bookstore, buying and selling uniforms, taking care of tuition payments, finding a telephone we can use, making change, explaining the bus schedule, etc: all of these are not part of the job description but are handled by the front office. The computer has become much more a way of life up front. Mrs. Holly operates an Apple II almost all day and soon the bookstore will also be on a disk. Progress is taking place all over the building.

Mrs. Evelyn Holly is essential to the front office. She keeps track of attendance.

Mrs. Rosemary Maher — Right hand to Mr. Gaughan

Mrs. Bernice Ocken is admissions secretary.

Mrs. Batty Passino brightens everyones day.

Mrs. Pat Altmeyer and Mrs. Judy Dawley.

Mrs. Passino, on one of her cheerful days, helps Matt Elward.

Library

From Freshman to Senior Year, everyone has the need to use the library. It's a very easy procedure; one that anyone could follow. Just secure the pass in the morning and you're in. The books are constantly updated, as are the magazine selections. There are computers available for student use and a very helpful staff as well. Due to the space situations the library is also used for many meetings.

Being in charge of Audio-Visuals is no sweat for Sister Mary Jane.

Mary Yaggy, Junior finds time in her busy schedule to read.

Senior Dan Munson is intent on his studies. Computers are available in the library for student use at any time. Many stay after school to use the computers for games.

Brian Weslowski proves that all blondes are not dumb.

Is this Freshman camera shy? It certainly appears that way.

During the Interim program we learned the various aspects of many occupations.

Helping others is the favorite pastime of our head librarian Mrs. Connie Weber.

Kitchen

Our Kitchen Staff here at Dwenger prepares hot lunches for the students every day. Some days the food is great while other days it tastes alright. The staff tries hard to make sure we get good nutrition to help us work harder at our studies.

Mrs. Jones and Mrs. McKenna.

Now you know what goes on behind the scenes in the cafeteria.

Mrs. Bassett is busy preparing her specialty — Taco Ole.

Mrs. Brandt, smiling, wonders what she will call today's dessert.

The preparation of our lunches usually causes smiles.

Maintenance

As all teachers and most students know, that one of the most important departments is Maintenance. Where would we be without heat, lights, lockers that work, bells that ring, clean boards and floors, desks that don't collapse, to say nothing of all the unseen things that can go wrong in a school the size of Dwenger. All you have to do is look at some other buildings the same age as ours and one can see how good our maintenance staff is. We couldn't get along without them.

Mr. Dale White. Dale has become a familiar sight after school and at many evening events.

Mr. Nick Lamb. No matter what the problem is Nick is one you can count on to fix it.

Rob Bendele works after school and on Saturdays. Rob is a senior.

Mr. Gene Karst. Where we would be without Mr. Karst is hard to tell. He is one of the most important people in the building and everyone really appreciates his efforts.

Religion

What makes Bishop Dwenger different from public high schools? Religion! Here at Dwenger, students take two semesters of religion each year, with classes such as Old and New Testament Freshman year and Mass and Sacraments and Reverence for Life Sophomore year. Junior year there is Church History and Teachings of Christ, and Catholic Lifestyles and Social Issues are taught Senior year. All in all religion is a very integral part of the Bishop Dwenger community, being part of our tradition of excellence.

Doug, Kristen, and Stephanie seem to be more interested in Chemistry than their Religion course.

"But Mrs. Cornell that's what the book says."

Ed Rorick is caught on one of the days he was here, taking a make-up test.

Buffy Heinz, Dave Devine and Pat Delaney ponder over their Social Issues.

Home Economics

The outstanding Home Economics Department here at Dwenger has improved the cooking and sewing skills of many of our students. The aroma of bundt cakes permeated throughout the building arousing our senses. In the independent living classes the students learned how to survive on their own. Being skilled in the culinary arts increases ones popularity, especially on baking days. One can not forget the lovely articles of clothing shown in the display cases. They give us an inspiration to make it through the day!

Miss Halter, the head of the home economics department, poses for the photographer.

Dan O'Brien can't believe he just burnt water.

As Nick Frato washes dishes, Tom Ehrman casually slips silverware into his pockets.

Lynn Heidenreich is not sure what she is about to taste.

Lisa Doherty and Kim Pelkington discuss the finer points of the culinary arts.

Megan Crowley and Laurie Killion show us their corny meal.

Tammy Russell, Michelle Pitsch and Terri Houser display their ever-popular mystery meal.

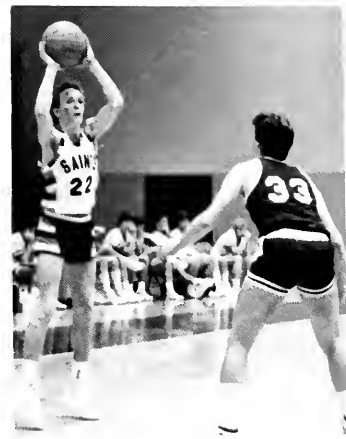

Mr. and Mrs. Doepker enjoy a delightful meal amongst friends.

Physical Education

Each year the 8th graders hear with a groan that they have to take a whole year of gym. "That's not fair," and "that's stupid!" But, really it's not so bad. Ask any Freshman at the end of the year and they'll say, "I'm glad it's over but it was kind of fun." This class teaches the rules of things such as badminton, basketball, football, gymnastics, and square dancing. The students are tested with written tests and skills tests. It was interesting at the very least so, good luck to the class of '90.

Stephanie Nine is suspended animation as she decides what to do.

Todd Martin perfected his basketball skills in P.E.

Tammy Patterson closes her eyes as she begins another lap. The P.E. classes use the new track quite a bit.

Chris Gonya shows a good ballet form.

English Department

Amidst the pronouns, Transcendentalists and the woeful souls who did not finish their research paper, one finds the English Department. Always interested in enriching our vocabulary and basic knowledge of literary geniuses, the dedicated teachers brave the vacuum of the student's minds to try to lessen the gap between the ears. The variety offered by the Department gives the

students a wide choice of courses. After the basics one can concentrate on writing or on Literature. Some students feel that they are studying their lives away just because they elected to take a certain class but deep down they realize how it will pay off later. After all it would be difficult to communicate if you couldn't even speak English.

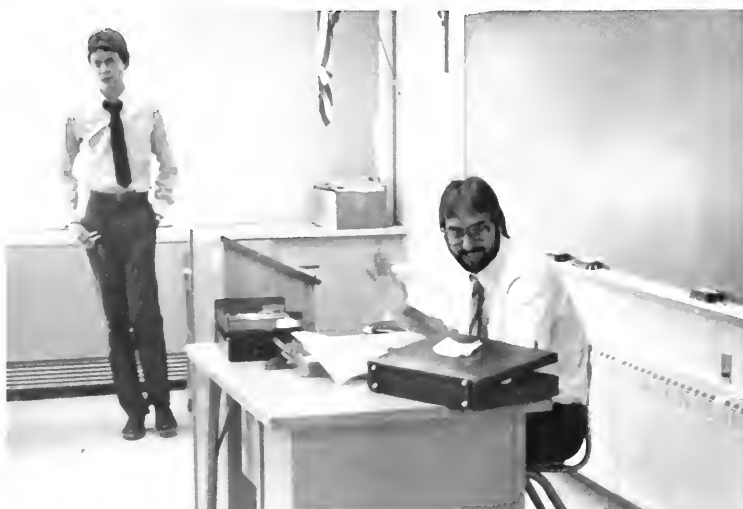

Kim Keys and Monica Debets seem more interested in class rings than in English Literature.

Mr. Tierney shows Tim Andrews how to play background music while a story is being read.

Mrs. Carroll's class gives thumbs up to American Lit.

Mr. Workman looks over his left shoulder for Karl Lacasio who has disappeared.

Ron Tippmann blesses Cassie McGinnis and she seems overwhelmed.

Jim Wall stands up to see over Kara Herald's head to find out who is hiding behind the English book.

Michelle Koch puts her finger beside her nose and up the chimney she rose.

Marcella Goheen uses the library to work on a term paper.

Math

Everybody must take Math. Not everybody will love Math or even like it but it is a must. Several different levels of Algebra are offered from Elementary Algebra to Trig. Geometry also comes in different shapes and forms to fit any program. The more advanced student will become involved in Calculus and Elementary Functions. Dr. Ruiz ably heads the Math Department as she has for many years. The Math teachers are a dedicated lot who care for their students and try to open their minds to the workings of numbers and formulas.

Mr. Mike Thompson and some of his Senior Math students discuss the true meaning of so much homework.

Working out problems on the board is the name of the game.

Waiting for the bell to ring and it will be over with.

Who would want to teach this group of Sophomores anything? It is the job of the poor Geometry teacher.

Science

Cathy Jordan and Sarah West measure up some unknown chemical for an experiment in Advanced Chemistry.

Dwenger has the best Science Department, bar none. It offers a variety of classes ranging from Earth Science to honors and advanced classes. These selections offer a challenge for every level of student. Just one of the achievements of the department was the placing of 5 students in the National Chemistry Exam. Academic excellence is always strived for at Bishop Dwenger and the Science Department is always a part of the excellence.

Mrs. Becker points out the finer points of Biology to Jenny Abella.

Lori Schall has her blood pressure checked by Gina Krach.

Geoff Thompson and Chantelle Kennedy work on a chemistry project.

Diane Luley and Michelle Drerup watch Matt Mowan mix the chemicals.

Language

The language department continues to grow. This year some 574 students were enrolled. Of these students, many won honors in French, Spanish, German, and Latin. Four junior students will spend their summer abroad in France and Mexico, having been chosen to participate in the Indiana Honors Program. We also participated in the Foreign Language Festival at IPFW and numerous students won first place prizes in various categories, such as poetry writing, essay writing, knowledge bowl, and non-stop conversation. Mrs. Klemme, leaders of the department was also honored with a Rockefeller Foundation Grant to study in France for 2 months.

This class seems to be paying more attention to the photographer than the teacher.

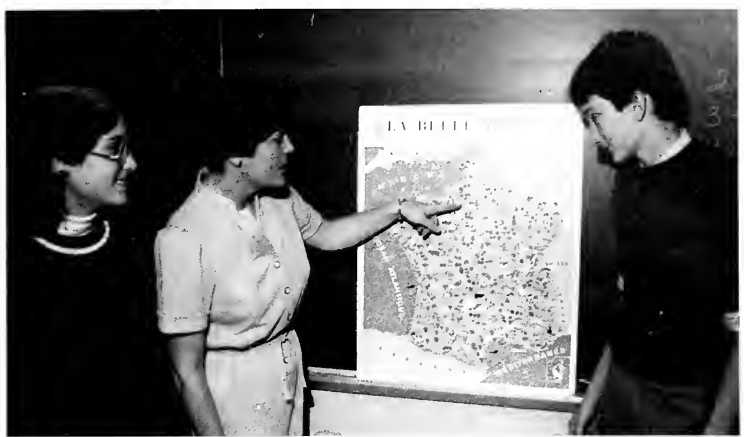

No wonder Dave Brockmyer can't understand German, they printed his book upside down!

Another boring Spanish class — it looks like a field trip may be in order for these Dwenger scholars.

Sophomore Nanette Frato is one of Dwenger's second year Spanish speakers.

Mrs. Klemme explains the geography of France to these two freshmen.

Linda Ronzoni and exchange student, Nena Caballeio smiles brightly for the camera.

These Spanish students prove that they know at least one word in Spanish.

Pat Murphy and Tom Ueker enjoys the help from Mrs. Lauer.

Mrs. Oberstar teaches second, third, and fourth year Spanish.

Social Studies

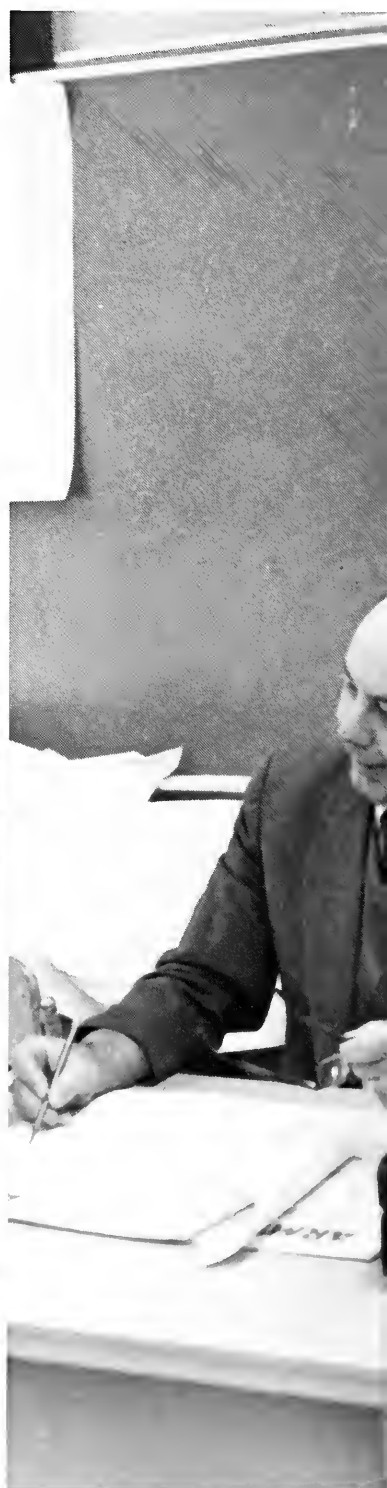

Reaching New Heights

Under the capable leadership of Mr. Frank Ray the Social Studies Department once again challenged, worked and entertained the student body. From the ride of Paul Revere in the 1770's to the Summit Talks of the 1980's the students learned the trials and tribulations aswell as the joy and ecstasy of living in the United States.

Also the choice of a number of electives was open to the students ... ranging from World History to Economics and World Geography. Upon leaving Bishop Dwenger a true understanding of the world we live in today as well as what to expect in the future will be engrained in the student's minds.

Kara Herald and Jason Mozzone are given map tips by an identified fellow classmate. World History is taken by many students regardless of what year they are in.

Greg O'Daniel and Dave Augustyn learn the finer points of Government from Mr. Ray, himself a candidate on more than one occasion.

Angela Uebelhoer aced every test because she typed them all.

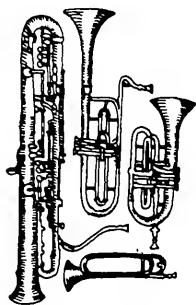

Meg Kosiack, Theresa Hipskind and Jill Blumberg discuss foreign policy.

We can see that Mr. Ray only has the top-notch students in Applied Economics. Ara Tazian sleeps while the others act like fools.

Music Department

Bishop Dwenger's Music Department varies in its choices for the avid music fan. The band, led by Mr. Slattery, had a good marching season this year, stunning all observers. Miss Hope, the newest musical mentor, added a new enthusiasm, to the Choral Department. All who have put in so many hours of practice should be commended. The department offers Band, Chorus, Concert Chorus, and the newly formed Swing Choir. The year-book staff would like to wish the B.D. Music Department the best of luck in future competitions.

Art Department

Mrs. Case instructs our Art students in many creative techniques. There are many different art classes for different levels. A student here could take art for all four years. Mrs. Case's classes experiment in painting, sketching, weaving, macreme, and sculpturing, just to name a few.

All during the year art can be found brightening up the halls and the show case in the main lobby. Some art students enter their projects in competition and win quite a few honors. They also draw little doodles for Dwenger pamphlets, this yearbook, and our newspaper.

Business

All those students hoping to get ahead in the world of business should think of taking a Bishop Dwenger business course. If you are one of those eager individuals then Drafting, Short-hand, Typing, Computers and accounting are for you. These fun filled courses have thrilled Dwenger students for years. These classes give students a good foundation for the future. Ask Mr. Fritz Herber, "Our business department is the best there is!" This year Dwenger gave it's students a bonus, we got new typewriters. No more pounding away at keys that are not electricly operated. Word Processing was also introduced to the Dwenger community. Dwenger is making it easier for students to get ahead in the world!

Tim Newell and Jenny Tosconi share there knowledge with the class.

Greg Gehl, Greg Feichter, and David Watercutter wonder what is playing on television.

Mrs. Field takes a break to look at the camera as the rest of the class works diligently.

John Grant 'nose' what he is doing.

Lisa Dahm, Laurie Killion and Tony Winkeljohn collaborate on an accounting answer. Notice how they are all dressed for success. They take after Mr. Johnson.

Randy Walker and Denny Brandt work out the finer points of Mechanical Drawing.

Typing wizard, Angie Pisula works on the newly purchased word processors.

ATHLETICS

Striving For Success

Sports is something that everyone wants to be involved in here at Dwenger. There is a role for everyone to play, whether it be in the coaching end or as an athlete. Even the fans are involved with helping the teams on to victory. All of the teams have worked hard in achieving their victorious standings. We sent 4 wrestlers to the state meet for a record high this season. The Football team with a record of 8-4 and participated in post season play. The Basketball teams (both boys and girls) had very good seasons as well. It was the SAC Championship for the Boy's Tennis Team. These just represent some of the glories of the Sports here at Dwenger.

Senior, Rick Donovan shows his style as the Saints defeated the Northrop Bruins in the game here at Dwenger.

Tracy Vorndran not only is an excellent Basketball player but she is also in the Top Ten of her class.

Doug Abramowski shows us his forehand serve. Doug was a member of the SAC Champion Tennis Team.

Varsity Football

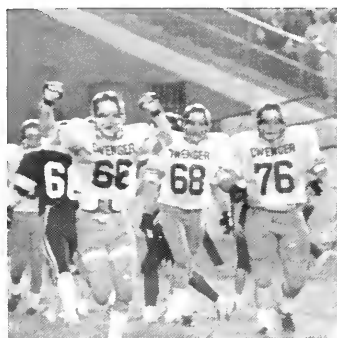

Another exciting and successful chapter has been written in the book of Dwenger football. The team finished 8-4 highlighted by a shutout victory over archrival Bishop Luers and an impressive Regional victory over Concord. Once again senior leadership proved to be the key. Led by co-captains and two way starters Larry Weigand and Sam Talarico, the Saints were motivated to success. Other notable seniors were MVP and All-State Dave Watercutter; two time All City Chris Miller; Most Valuable Defensive Linemen Dave Dawley and Ted Pursley; Most Valuable Offensive Back Dave Nowak; and All City DB Chris Bobay.

The roller coaster season began rather slowly with early losses in the last second to North Side and Northrop. At that time, the team rallied for three well played victories.

Luers the Homecoming Game and last game of the regular season was a definite high point as the Saints defense shut out the Knights 13-0. The turnaround trail began with a lopsided win over East Noble, then a cliffhanger won by a Jack to Jim Fry connection over DeKalb and culminated by a sweet revenge with a shellacking of Concord. The season ended on a rather "soggy" note at Harding as the Saints were beaten in the rain by a 14-6 count.

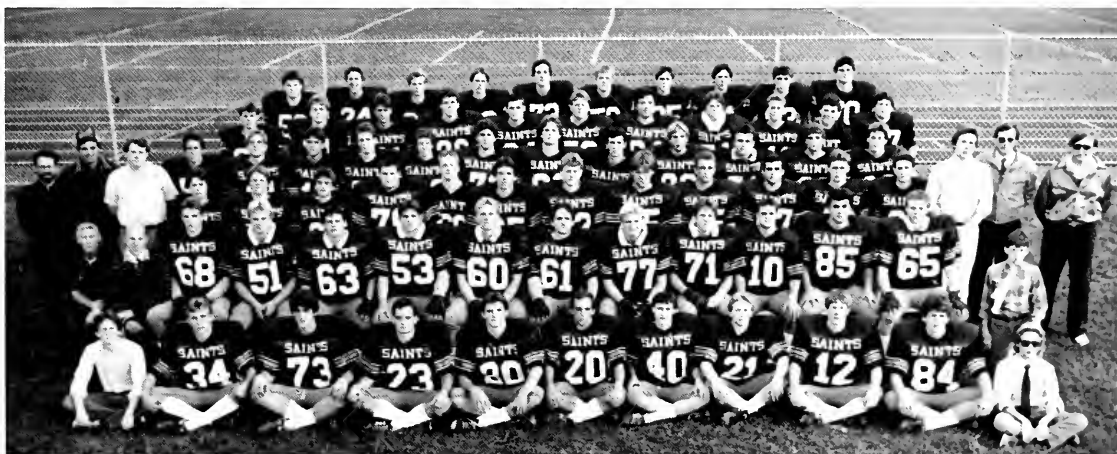

Chris Miller kicked the ball with class for the whole season.

Reserve Football

According to Coach Girgash, it was a most enjoyable season. The success was not due to any one person. It was definitely a year when many talented young men blended together to make a fine team. It was a team effort that made the success possible. The Reserve team finished with a 7-1 record.

Freshmen Football

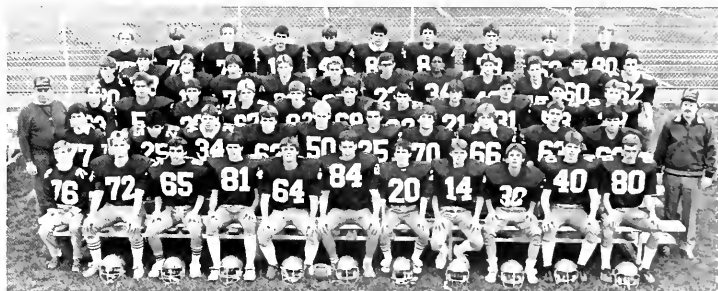

It was a rugged year for the Freshman team. Faced with a size differential in every game, the Saints fought to the finish in every contest. Injuries also took their toll. Key people in key positions had to be replaced and those taking over those positions performed admirably. As these young Saints wind their way through four years of football at Dwenger, they will carry with them the well known traditions of B.D. Football that they have learned — the chapel service — the tree — the hill — the push-ups — etc.

Volley Ball

The girls volleyball team had a very successful season. They were led in Senior leadership by first team all SAC Michelle Drerup, Kim Pelkington, Tracy Vorndran, and Gina Krach. Juniors played a major role in team action this year and were led by second team all SAC Theresa Hipskind. Other Juniors were Jodi Koehl, Monica Debits, Kelly Downey and Amy Nolan. The Sophomore class was represented by their own Kim Coughlin. The team feels that their biggest inspiration was coach Kay Freiburger.

Boy's And Girl's Cross Country

The Long Distance Runners

The 1985 boys cross-country team finished the season at 1-8 in dual competition. The team finished 7th in the S.A.C. and 9th in their Sectionals. Senior Mike McMahon made All SAC by his 15th place finish. For his efforts he was named MVP of the team. Chuck Kapocius another senior was named the mental attitude award winner. Two Juniors, Jim Uecker (most improved) and Kelly Mahoney showed great promise and should lead the team next year. The team worked very hard and came within 5 points of placing 5th in Sectionals.

The lady Saints ended their season 4-5 in duals despite losing 3

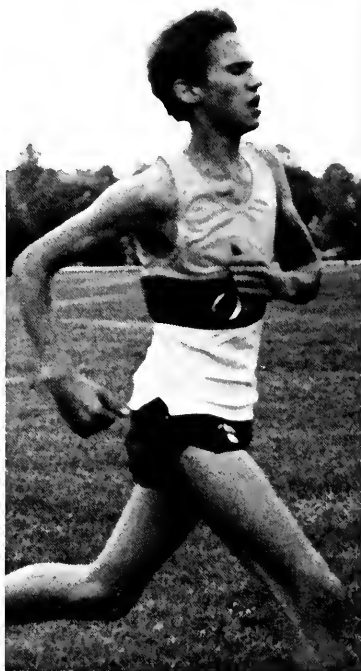

meets late in the season due to illness and injury. The ladies finished 7th in the SAC and 12th in Sectionals. Freshman Sarah Schoenle was named MVP, senior Sally O'Dowd was named most improved, and senior Kris Nielsen was named the Mental Attitude Award winner. Early in the season the team captured the B.D. invitational beating Elmhurst by 1 point. Although the team competed well early in the season, seniors Sally O'Dowd, Brenda Patterson, and Kris Nielson all suffered injuries just before Sectionals. Due to the injuries Sally was unable to compete and both Kris and Brenda were unable to run their best.

At Shoaff Park, the girl's team prepares to race a tough North Side team. The course was little over 2 miles and the girl's finished way up there.

Kneeling: Jim Koher; Kelly Mahoney; Pat Delaney; Jim Uecker; Brian Offerle; Matt Hess; Standing: Manager Anne Bougher; David Fawbush; Chuck Kapocius; Shawn Ihrie; Josh Schenk; Matt Reader; Mike McMahon; Mike McDonough; Coach Tim Labrosse.

Josh Schenk, Freshman finishes well up in the pack. Josh also played Basketball.

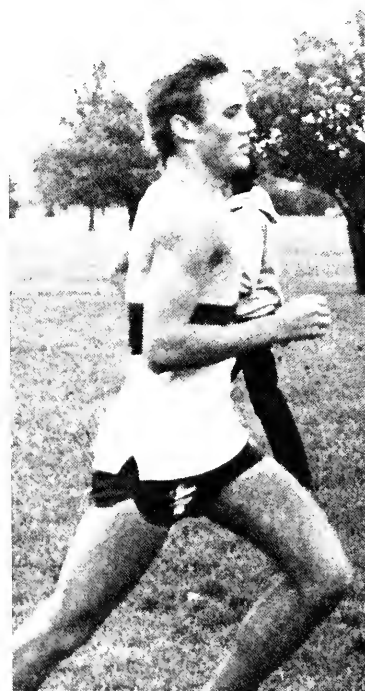

Senior Pat Delaney ran the course at Shoaff very well this season. Pat loves to practice on golf courses all over the state.

Jim Uecker keeps ahead of the opponent from Wayne, Jim had a very successful season.

Junior Jim Koher shows the stress it puts on one's body to maintain control for this long of a race.

Junior Matt Hess runs at the head of the pack as the race begins. A Cross Country meet involves about 3 miles.

Girl's Cross Country Team: Kneeling: L. Ryan; S. Delaney; T. Patterson; S. Schoenle; Standing: Coach Carol Schoenle; K. Nielson; B. Patterson; S. O'Dowd; Manager Anne Boughe

Golf

In the second season of Girl's Golf, the Lady Saints posted a record of 6-4 for the regular season. Varsity consisted of K.C. Carretta, Mary Shupe, Sarah Cough, Laura Kalb, Mary Yaggy and Jenni Behn. Doing well in the sectionals, the team qualified for the State Regionals where they placed 8th. The Reserve team went undefeated with a record of 10-0. One can see that we are producing some great golfers for the future. Everyone is expected back next fall with the lone exception of graduating Jenni Behn. First year coach Mary Shupe did an excellent job with the girls on the links.

Tennis

Fall of 1985 brought a rich harvest to Boy's Tennis at Bishop Dwenger. The Varsity team went undefeated through an entire season thus capturing a solo hold on the 1985 SAC Championship. Senior leadership through co-captains Dave Dumas and Cary Steir inspired the J.V. to maintain a similar unblemished record ... for the third straight year. the varsity players savored sweet victories over arch-rival Snider arch-rival South Side. Such consistently excellent playing led to the selection of several players as All SAC. John Carretta, a first year varsity player as a sophomore, and Junior third year man Joe Sterba were chosen as the #1 Doubles for the All Sac team. Unanimous choice, Brian Schreck, a third year varsity player was chosen to the ALL SAC team as the #1 singles. Coach Martiin Tierney was honored as the ALL SAC Coach of the Year for 1985. Additionally Brian, Joe and John also won the singular honor of being named to the 7 man All-Area Team due to their outstanding record this season. Quite an achievement for 1985 ... SAC CHAMPS.

Gymnastics

Cathy Jordan does her balance beam exercise. The only senior, Cathy gave a strong performance.

Topomore Carlene Hoot also on the beam, does a super routine and brings in a score of 7.8.

Each year the Gymnastics Team improves some more. In the very few years that it has been a recognized sport here at B.D. the girls have brought home more and more victories. Senior leadership was provided by the lone senior Cathy Jordan. Cathy was a four year starter for the Saints and placed highly in every meet. Specialization is becoming the way to go in Gymnastics with very few girls competing in the All-Around competition. Miss Poinatte did an excellent job at coaching and bringing her family to fill the stands. The future even looks better for the Saints as many underclassman are now participating in Gymnastics.

Freshman, Michelle Wall was one of our best. By the time she's a senior, there will be no stopping her.

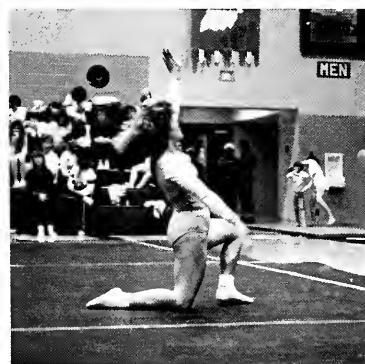

Kelly Pangle always did very well on the bars.

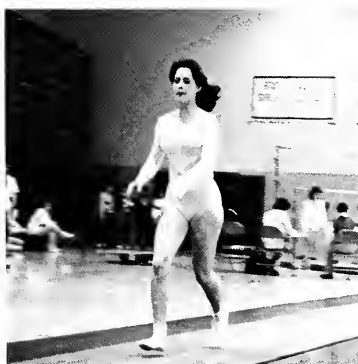

Lisa Weslowski concentrates on the balance beam. Lisa is a Freshman.

Wrestling

It was a great year for our wrestling team. They won the regional and placed 8th in the state. Four wrestlers went to the state meet; a record high number. Todd Nagel with a record of 35-1 placed 2nd at state while Greg Gehl, in the Heavyweight class, also placed 2nd in the state. John Martin came in 6th at the final meet and Brian Offerle was a state qualifier. What an excellent finish for the Saints. In addition to these 4, the following qualified for the semi-state meet; Pat Delaney, Dave Baron and Matt Hullinger. Probably the highlight of the regular season was the defeat of Snider. The entire team put on a clinic as the Saints came out on top. Wrestling is a long season which begins in the fall and is not over until the Spring is almost here. Every Saturday the Saints were involved in an all day tourney somewhere. Practice takes place every day after school and lasts until supper time. In order to be a wrestler at Dwenger one has to be dedicated to the sport. But we can see how this dedication paid off in the '86 season with all the victories that were accumulated. The hard work of the athletes and Coaches (Fred Tone, Mike Tone, and Tuck Tone) are appreciated by the whole student body.

Basketball

The Saints had another good season in 85-86. Led by six seniors the team defeated many a rival. Senior leadership was provided by Dan O'Brien, Rick Donovan, Mike Jankowski, Larry Weigand, Mike Finley and Steve Newell. The highlight of the year was the resounding defeat of Northrop here at Dwenger. The team did an excellent job. In the words of Coach Johnson, "The attitude this season was one of the best I've encountered in my career as a coach. No one gave up at any time through the year even when some of the team suffered injuries . . ." Chris Kinney moved up and played varsity as a Freshman when Rick Donovan got hurt in the Snider game. We have many young players returning and the team should be very strong again next year. The Saints posted a record of 11-10 this year and defeated New Haven in the first game of the Sectional.

John Carretta was a member of the Varsity squad as a Sophomore. Here is John at the Holiday Tournament.

Jack Fry brings the ball up the court as Tim Pelkington follows close behind.

Reserve Basketball

Character is a good word to describe this season's Reserve Basketball Team. They started as a group of individuals and were molded into a team. Teamwork shown through. A new school record was set with 16 wins and only 4 losses. The talent was abundant on the team as well, with a few Freshman moved up to play Reserve. Height also played an important role in the year. Chris Kinney made a big difference until he moved up to Varsity to replace the injured Rick Donovan. With these guys moving up to Varsity, next year should be a good one.

Several of these Freshman moved up at the end of the season to play Reserve.

Freshman Basketball

It was an up and down season for the Freshman; complete with thrilling victories and narrow defeats. Many a game was lost by only a point or two. The team compiled a record of 8-11. It was the first year for Coach Brad Holsinger and he did an admirable job. The Freshman squad spends alot of time ont he road and this team was no exception. They travel to places like Angola and almost to South Bend. All in all it was a learning year for the 9th graders and they look forward to a Reserve team next year.

Girls Basketball

With a 15-4 record who can complain about the Girl's Varsity season? The ladies had a great season and lost to only two teams in the whole year. Five seniors, Amy Creigh, Tracy Vorndran, Jackie Baker, Michelle Drerup and Michelle Kalb led the team all the way. In addition to the seniors, many young players have also become involved in the program and we should just as good if not better next year. "We have the strongest bench in the city," says Coach Scudder and he looks forward to another banner year.

Reserve And Freshman

The Reserve and Freshman Girl's Basketball teams had excellent seasons. Coach Windmiller moved up to reserve this season and led his team to many a victory. Some players played both Varsity and Reserve. The Freshman program in it's second year also had a banner year. Coach Cindy Figel led the young team to a great season and a longer schedule this year. With members of both these squads feeding into the Varsity we should have a strong team for many years to come.

Mr. Coughlin, below, kept the book for the Girl's program.

Boy's Track

This year's track team is led by Seniors Chuck Kapocius and Mike McMahon in the distance, junior Jim Uecker in the sprints, and junior John Grant in the hurdles. The Saints have reached new team goals with the help of Sophomores Dave Ludwig and Mike Carcione in the long jump, Steve Fiacable in the shot and discus, and Juniors Greg Gehl and Joe Wharton in the shot and discus.

Great improvement has been seen on the team with the help of new assistant coach Walt Bartkowitz, especially in the field events. First year head coach Mark Girgash has stressed the importance of a team effort and team goals.

Track

This year's team is led by senior captains Kris Nielsen, Brenda Patterson, Jenny Toms, and Danielle Taylor. The team accomplished many individual goals including: a third place finish in the 1600 meter relay at the Indiana Prep Invitational, a meet and school record set at the Carroll Relays in the 400 meter relay, and Jenny Toms who showed great improvement and leadership in the hurdles. Newcomers on the varsity level include freshman Tammy Patterson, Sarah Schoenle, and Kelly Cole in the distance races, and Heather Mock in the sprints.

Varsity Golf

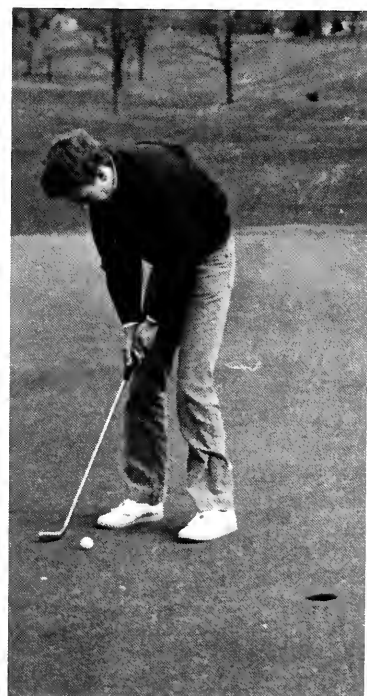

The Bishop Dwenger Hackers had a very good season and it is not over as we go to the presses. With team inspiration led by senior Don McMahon how could things be better. Senior leadership was provided by Glen Ceckowski, Rick Donovan and Dave Dumas. Regular season record 15-4 ... State Rank #12 ... SAC record — 9-1 ... The team also posted victories in the North Side and Concordia Invationals. Coach Dave Scudder helped many of the players over slumps and instructed them as to better ways to achieve their goals.

Varsity Tennis

Girl's Varsity Tennis takes the Sectional again this season. It is becoming a tradition that the tennis team always go into post season victories. Coached by Mark Stetzel, the girl's had a banner season placing several members on all city and all-area teams. Seniors Buffy Heinz and Gina Krach led the squad to several close victories. The highlight of the year was of course the Sectional win and the City Series. The Saints were state ranked for most of the season and finished their season on Graduation weekend by losing to Homestead in the Regionals.

Senior, Buffy Heinz shows her style and back hand.

Julie Thompson almost keels over in her attempt to return the ball.

Laura Berghoff reaches high to find the ball.

Varsity Baseball

1986 has been the most successful season in the history of Bishop Dwenger Baseball. Coach Lance Hershberger's squad has "broken new ground" wherever they go. Among their accomplishments are: breaking the school record for victories in a season; being ranked in the top twenty during the regular season by the state; being ranked in the top ten in the post season play offs; and the teams current winning streak which as we go to press is 18. There have also been numerous individual records and awards. John Ludwig — Pitcher; Dave Gasser — third base; Randy Lewandowski — outfield; and Rob Slusser — designated hitter were all named to the All SAC team. It has been a truly great season and with a host of underclassman they hope to establish the tradition of excellence that has marked all of Bishop Dwenger Athletics.

Playing at 3rd base is all SAC Dave Gasser.

Coach Hershberger leaves the mound after a word of encouragement to Randy Lewandowski. Randy hit a game saving 3 run triple against Northrop in the Sectional.

Softball

This is the first year that a new sport has been introduced to Bishop Dwenger since Gymnastics eight years ago. Softball is a spring sport with the season beginning around Spring Break. Under the leadership of Coach Phil Miller, the girls had an excellent season finishing high up in the Sectional. Two seniors graced the team, Jackie Baker and Amy Creigh both off a good basketball season. Juniors were Kathy Freiburger, Kathy Morehouse, Heidi Hoover and Holly Winkeljohn. Underclassman filled out the rest of the field. The team racked up a record of 14-2 over the year. As we go to press the girls were just eliminated in the Sectional.

Catcher, Stephanie Nine looks like she enjoys the sport.

Colophon

Volume 23 of the Aureate was printed by Jostens American Yearbook Company of Clarksville, Tenn. The Josten's sales representative was Mr. Mark Childs. The Aureate was produced by the yearbook staff of Bishop Dwenger High School, Fort Wayne, In.

Seven Hundred Fifty of the 240 page book were printed on 80 lb. gloss stock 191. Endsheets were printed on parchment 303 with Gold Foil 322 Monogram series. The 9x12 inch book was Smyth sewn.

The American Embossed cover, designed by artists Beth Bernard, was printed by Nighthawk 499 with applications of White 325 ink. The grain was Brush Stroke. The title and backbone were blind embossed.

The 8 page color opening, the senior section and the division pages were all done with four color process pictures.

All body copy was 10 point Angeles. All caption copy was 8 point Angeles print. headlines were 48 point.

All candid and some group photos were taken by the Aureate staff. Senior, Underclass and team pictures were taken by Watters Studio, Fort Wayne, In.

THE AUREATE STAFF
CAROL CORNELL, ADVISER

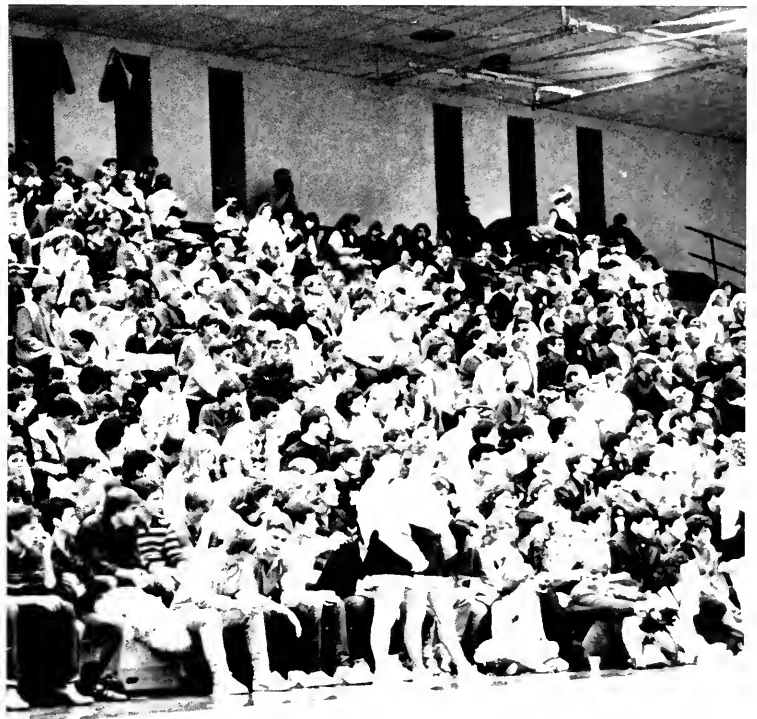

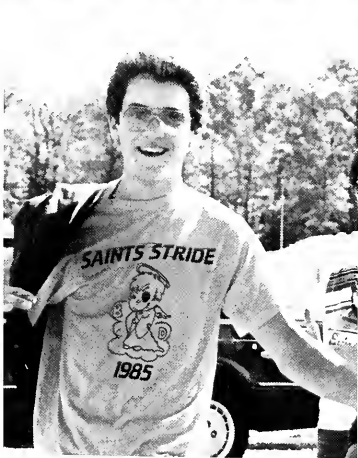

"Yearbook is our life and we live for the Yearbook" is a humorous expression that was created by Mrs. Cornell, our yearbook adviser and that is used by the staff to express the amount of time and dedication that is used to produce our Bishop Dwenger Yearbook. As each year comes to a close, the memories — some good and some bad, but they are memories just the same, turn into special times. As a yearbook staff, our job is to capture those memories and to place them in a book for you to remember, now, and in the years to come . . . Therefore "Yearbook is our life" is a special expression that applies to everyone who worked on this book, is in this book or had bought this book. This is because our yearbook tells the story of the lives of our Bishop Dwenger Family and all those who have touched our lives in some way.

Rising to New Heights, our theme this year are words to describe the accomplishments of the school. It also describes the ever growing enthusiasm and dedication of the Aureate adviser, editors, photographers and staff. Therefore I take this opportunity to express my appreciation to these special people. First, I thank Mrs. Cornell our adviser, who has the spirit and patience for organization and motivation. Without her dedication the yearbook would not be a success. I thank our editors: Jean Gloudemans and Meredith Freeland, senior section; Andy Couch, sports: Mike Romie, academics: Dave Brockmyer, activities; and Joe Romie, mugs. I thank the photographers Mike Scudder, John Otto and John Tholen. Equally important are the staff members: Jenny Reitter, Mike Devine, Jeff Usher, Christian Reitter, Dave Christen, Dave Burgess, Amy Gillig, Ellen Chou, Amy Szkudlarek, Kris Hickey, Lyn Zurbuch, Stephanie Nine, Laura Usher, Craig V. Gunkel and Kathy T. Romie. This book has been completed due to the efforts shown by these people.

Finally, I's like to thank Watters Studio and Mark Childs of the Jostens Yearbook company for their support and cooperation.

I'd like to wish the future staff and editors success in the coming year.
